## Summer Counselor In Training (CIT) at the Boys & Girls Clubs

**Club Mission:** To enable all children, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. The Clubs are youth development organizations that promote both boys' and girls' health and social, educational, vocational, and career development. The Club's goal is to help young people improve their lives by building self-esteem and developing values and skills during critical periods of growth.

**CIT Program Goal:** The Counselor in Training position will allow children entering 8th and 9th grade to work with children ages 6 - 8, experience our community, learn resilience skills, positive mentoring tools, community service, and have fun while earning their first paycheck.
